

ACCESSIBILITY CLOSED CAPTIONS & ZOOM

Virtual Delivery Closed Caption

Accessible for Everyone

Enabling Closed Caption

Sign into your Zoom account

On the left-side panel, click Account Management then Account Settings.

Click on the Meeting tab.

Verify that Closed Caption is enabled.

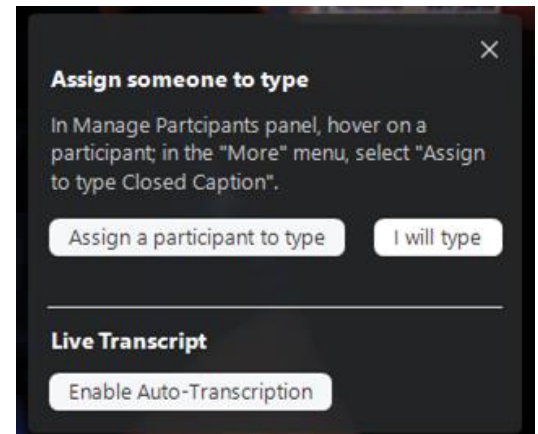

- If the setting is disabled, click the toggle to enable it. If a verification dialog displays, click Turn On to verify the change.
- (Lock Option) If you want to make this setting mandatory for all users in your account, click the lock icon, and then click Lock to confirm the setting.
- Select the check boxes for optional settings to enable these features:

- **Enable live transcription service to show transcript on the side panel in-meeting**
- **Allow use of caption API Token to integrate with 3rd-party Closed Captioning services**

Enabling Closed Caption in the meeting

From the Zoom Toolbar
Click on the **CC Live Transcript** button

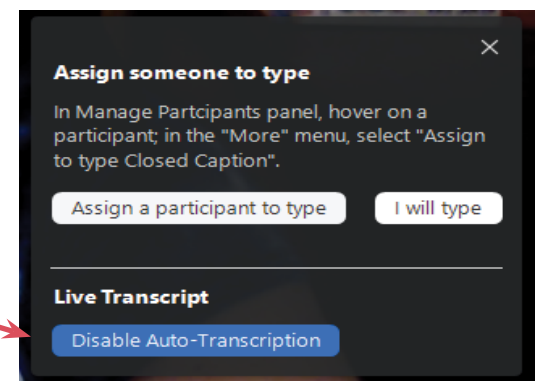

Here you may chose how you would like to set up your closed captions for your meeting to name a few!)

- **Assign a participant to type** - You as the administrator can choose another participant to type.
- **I will type** - You as the administrator will type.
- **Live Transcript** - As each participant speaks - The words will show on the screen for all to see as they are spoken.

Disabling Closed Caption in the meeting

If the Closed Captions are not needed you can easily disable during the meeting

From the Zoom Toolbar
Click on the **CC Live Transcript** button
